

Wagner Power Tex® All In One Powered Textured Sprayer™

Powerful Air Turbine
No Compressor Required
3 Spray Nozzles
1 Gallon Hopper
Lock-n-Go™ Removable Components

Wagner Power Tex Texture Sprayer features a powerful, built in air turbine with plenty of power to texture walls and ceilings, yet it's lightweight and easy to use for small projects. The Power Tex Texture Sprayer comes with 3 nozzles for varying textures. It has an easy-to-fill onboard texture hopper that converts easily for spraying walls or ceilings. No air compressor required. Plugs into a standard wall socket. Set up is easy with no tools required.
